From the M25

Leave the M25 at Junction 1a. Heading from the South [Kent] this is the very last exit before the Dartford Crossing tolls. Heading from the North [Essex] this is the very first junction after the tolls – you need to be on the very left of the toll booths when you pay the toll.

From the slip road/roundabout at Junction 1a go onto the A206 towards Erith. Follow the A206 going straight over two roundabouts and at the third roundabout stay on the A206 which bears right, taking the second exit – still towards Erith.

At the next roundabout turn right [staying on the A206 towards Erith] and go under the railway bridge.

Go straight over the next roundabout and continue on the A206 to a set of traffic lights with a right turn filter lane and a McDonalds on the right hand side. Go into the right turn filter lane and turn right onto Manor Road [signposted for Manor Road Trading/Industrial Estate].

At the next roundabout bear right at KFC and continue along Manor Road.

Eventually you will come to a mini-roundabout – go straight on and onto Ray Lamb Way.

The road opens up with fields on the left side – follow the road around a 90° bend to the left and the Nuttall Crayford Plant Depot is on the right hand side.
